## HOUSING • DINING • HOSPITALITY

Dear Student,

Thank you for applying to our waitlist to live on campus starting Fall 2023. We are reaching out to share updates.

The current project schedule for Theatre District Living and Learning Neighborhood shows that Building 5, that includes housing, academic space for the new provost as well as the general assignment classrooms will be available in September. The remainder of beds are anticipated to open during Winter Quarter 2024. All beds in Building 5 will be allocated to incoming Eighth College students. For this reason, students currently on the Fall Quarter 2023 waitlist may need to consider off-campus housing options.

### Reason for Delay

One innovative approach UC San Diego takes advantage of to reduce construction impacts is prefabricating interior and exterior wall panels. This reduces on-site noise, traffic and parking, while also reducing waste and improving quality and safety. The primary driver of the delay is a delay in receiving these prefabricated materials, but supply chain issues and an extreme amount of rain also contributed.

### Available Housing Options for Winter and Spring Quarters 2024

Students who have flexibility for their fall living arrangements and would like to live on campus for winter and spring quarters will need to submit their interest on the [Undergraduate Housing Waitlist](#). **Contracts for Winter and Spring Quarters 2024 will be issued starting the week of May 22, 2023 based on a student's position on the waitlist.**

### Off-Campus Housing Options for Fall 2023

UC San Diego offers a university-specific housing listing website via [offcampushousing.ucsd.edu](http://offcampushousing.ucsd.edu) that offers available rental listings, roommate profiles, plan commute tools, first-time renters education and more.

Through the Off-Campus Housing Office, students can:

- Review San Diego community housing initiatives and services
- Learn [First-time Renters Education](#)
- Attend the annual Off-Campus Housing Fair
  - Wednesday, May 24, 2023 from 12 to 3 p.m. on Library Walk
  - Talk with property managers, participate in a roommate mixer and connect with both on- and off-campus resources that are here to support their transition into off-campus living

When exploring housing options, consider your commute. Selecting housing in a neighborhood with great transit service can make your commute faster, more reliable, more productive and lower impact all while helping you save money. [UC San Diego's Transportation Services and UC San Diego's Case Management Services compiled information on San Diego neighborhoods near transit service lines to aid students in their search for off-campus housing.](#)

We understand that this is plenty of information to process, and greatly appreciate your patience. Please reach out to us at [ucsdhousing@ucsd.edu](mailto:ucsdhousing@ucsd.edu) so that we may provide you with assistance.

Sincerely,  
Housing, Dining and Hospitality
