

UC San Diego

We are excited to welcome Eighth College's 2026-2027 Residential Community!

Thank you for your patience as we have been diligently preparing for your arrival to your new home away from home! Please make sure you take time to read this document in its entirety, and start sharing this information and any following information with your family or move-in helpers.

Please remember to **VIEW AND SCREENSHOT YOUR QWIK PASS**, which is located on your housing portal, and bring it with you when you move-in. You will also need **SOME FORM OF PHOTO ID** (e.g., driver's license, passport, student ID, etc.). It is recommended that you print a hardcopy for your Qwik Pass just in case as you will need to present either a screenshot or Qwik Pass when you move in.

Your assignment will include the following information:

- Assigned room and bed space
- Campus mailing address
- Your move-in date and time once you have selected it
- Your specific electronic lock PIN CODE for your door lock.

You must take a **screenshot of your Qwik Pass** to show it to our staff for a safer and faster move-in. If your helper is going to help you check out a move-in cart they will need access to this information. Friendly reminder: make sure your phone is fully charged the day of your move-in.

MOVE-IN INSTRUCTIONS

The first day to move in for Eighth College is **Wednesday, September 16th**.

We will not be able to accommodate any earlier moves this year.

Moving In Beginning Wednesday, September 16th:

- **Parking & Unloading:** Students moving in between 9/17-9/21 can park at the Theatre District Parking Structure in the 30 Minute parking spots to unload. Due to limited capacity, only 1 vehicle will be allowed to take part in the Move-In process.
 - Enter the parking structure from the South Entrance by turning into Theatre District Drive from N Torrey Pines Road. Follow the signage into the Theatre District Parking Structure.
 - For reference, please scroll down to the Eighth College Move-In Map picture.
- **Move In Carts:** A limited number of Move In Carts will be available between September 16th-20th. We still recommend you bring wagons and dollies to assist you moving in due to the limited amount.
 - Our cart check out station will be near Survivance hall, underneath two tents where our team will be available to assist you.
 - Please make sure your move-in helper is able to contact you for necessary information or provide them a copy of your Qwik pass prior to move-in if they are checking out a cart on your behalf.
 - Please note we have a limited amount of carts, and there is a time limit on cart usage. We HIGHLY recommend to NOT begin unpacking until after all your items have been unloaded into your bedroom so that you can return your cart in a timely manner
 - There will be a fee charged to your student account if any carts are lost/damaged/or excessively late after multiple attempts to contact you. Keep an eye at all times on your cart!
 - **Note:**
 - Students with Move-In Helpers: Helpers can check out a cart on behalf of the resident. Please note that checking out carts will require information that is listed on the resident's Qwik Pass and a government ID (ex. State ID, driver's license, passport) for our team to hold onto while the cart is checked out. Helpers should then begin unloading the resident's items into the cart while the resident should proceed upstairs to the second floor of Survivance Hall to begin the Check-In Process as their helpers unload.
 - Students without Move-In Helpers: Please check-in **first** to receive your

keys. Afterwards, please visit our cart check-out station and check out a cart using information from your Qwik Pass and a government ID (ex. State ID, driver's license, passport) that our team will hold onto while the cart is checked out

- **Check In:** For check-in please proceed to the Survivance Residence Hall. There will be signage to show you directions to the building.
 - Follow the signage that says "Eighth Check In & Keys"
 - Have your Qwik Pass and a form of ID ready (ex. State ID, driver's license, passport)
- **Move In:** After receiving your keys and moving in, please make sure to complete the Room Inventory form on your Housing Portal to document any preexisting damages to the space.
 - If there are any damages/any immediate maintenance issues, please submit a Fix-It request following instructions here: [Fix-It](#)
 - The maintenance team anticipates a large volume of requests during the first few weeks of move in and thanks you for your patience as they make their way through all requests.
