Room Selection 2025 - Starts Soon!

UPDATE: February 3, 2025

Room Selection is for current continuing students with a housing guarantee to participate in the housing process for the 2025-26 academic year. Students with a housing guarantee are notified via email beginning February 3rd of their status to participate and the steps needed to secure on-campus housing for the next academic year.

Continuing students with no housing guarantee will also receive an email about available options. Students can express interest and will be updated at a later date and time if there are available spaces.

We will continue to make updates to our website as the process moves forward. Please check your UC San Diego email account for reminders. Should you have a question, please reach out to us at:

Two Paths to Apply for 2025-26 Campus Housing

- **Path 1: Students with a Housing Guarantee**
 - Participate in Room Selection
- **Path 2: Student without a Housing Guarantee**
 - Participate in Room Selection Interest List
- Students with a Guarantee who MISS the Application deadline of Feb. 26th

PATH 1:

Students with a Housing Guarantee

ROOM SELECTION PROCESS

STAGE 1: CONTINUING STUDENT HOUSING APPLICATION

Dates: February 20 – February 26

- **Students with a housing guarantee** for the 2025-26 academic year need to submit a continuing student housing application between February 20 and February 26. **Deadline is 11:59PM (PST) on February 26.**
- Continuing student application will ask you to:
 - Review and update personal, emergency and confidential contact information.
 - Completing your roommate matching information.
- Students who complete the continuing student housing application by the deadline WILL be offered a housing contract for the 2025-26 academic year.
 - Students who miss the Continuing Student Housing Application deadline will have the opportunity to put themselves on the Room Selection Interest List for a short period of time. Students can always put themselves on the UG Waitlist that opens in July.
 - Off-Campus resources are available.

2025 CONTINUING STUDENT HOUSING APPLICATION

Complete the steps below to submit a 2025 Continuing Student Housing Application. A confirmation email will be sent once completed. Submitting a housing application does not mean you have secured a space on campus for the 2025-2026 academic year. A housing contract will be issued via email as we expect to start that process in March 2025. All housing deadlines must be met to secure a space on campus.

Failure to submit an application by February 26, 2025 forfeits any potential eligibility for housing.

PATH 2:

Students without a Housing Guarantee

OR

Students with a Housing Guarantee
who MISS the Application Deadline Feb. 26th

ROOM SELECTION PROCESS

STAGE 1: 2025 Room Selection Interest Form for Non-Guaranteed Students

Dates: February 20 – March 11

- **Current residents with no housing guarantee** for the 2025-26 academic year need to express interest in on-campus housing between **February 20** and **March 11**. **Deadline is 11:59PM (PST) on March 11.**
- Students that miss the Room Selection Interest List deadline will need to apply to the Fall Undergraduate Waitlist when it opens in July.

Room Selection Interest List

Current residents with no housing guarantee can express interest for on-campus housing for the 2025-26 academic year. Based on available space, we will begin to issue housing contracts the week of May 5th. Similar to the Room Selection Sign-Up process, we will randomly sort the list to be as equitable as possible. When you get on the list plays no factor in the random sort. Our goal is offer as many housing contracts as we can based on available space. Pay attention to these dates:

- March 11 - Last day to sign up for the Room Selection Interest List
- April 14th – Status update and next steps
- May 5th – Email regarding contract process and due date for the \$450 prepayment to those receiving a contract offer
- May 20th-22nd - Room Selection Interest List room selection signup (selecting from available space)

If we are unable to offer those on the Room Selection Interest List a housing contract, we will email students with instructions to get on the Undergraduate Housing Waitlist which will open July 8, 2025. For those who sign up on the waitlist, it will update their record to receive a better waitlist number.

Reminder that all activity is within the housing portal (single sign-on with your campus credentials).

ROOM SELECTION PROCESS

STAGE 2: HOUSING CONTRACT & ADDITIONAL HOUSING OPTIONS

*Dates: March 5 – March 11 (housing contract)
March 6 – March 18 (additional housing options)*

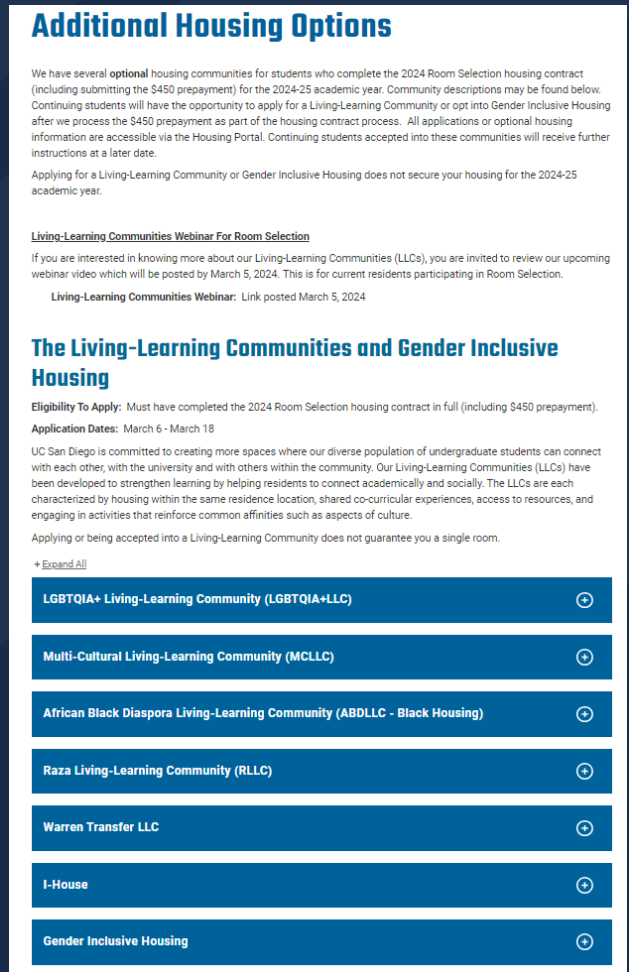

- Students who submit the continuing student application by the deadline will be issued a housing contract beginning March 5. Signed contracts and the \$450 prepayment are **due by 11:59PM (PST) on March 11.**
 - Students will select their housing payment plan and recommend that all should select Quarterly as it aligns with Financial Aid.
- Dining plans will also be selected:
 - Students will now select a “preferred” dining plan during the contracting phase from the plans they are expected to be eligible for.
 - Preferences will include the “No Dining Plan” & “Triton Community” plan options for continuing transfer students related to specific areas on campus.
- Students can update their dining plan preference up through their Room Selection Sign Up Day AND after they have been assigned to a space
- Students that do not complete their housing contract including the \$450 prepayment, will no longer retain their housing guarantee and would be able to put themselves on the Undergraduate Housing Fall Waitlist when it opens in July.

ROOM SELECTION PROCESS

STAGE 2: HOUSING CONTRACT & ADDITIONAL HOUSING OPTIONS

Dates: March 5 – March 11 (housing contract)
March 6 – March 18 (additional housing options)

- Students who signed the contract and made the \$450 prepayment can apply for an additional housing option (not required):
 - Apply for an available Living Learning Community (LLC) 
 - Apply for I-House at ERC
 - Opt into Gender Inclusive Housing
- Host colleges for the LLC or I-House will contact students with a decision: Accepted, Waitlisted, or Declined.
- Students who are accepted into and LLC or I-House have until April 2 to opt of the LLC or I-House (can do so in the housing portal). Opting out does not negate your contract or guarantee.
- NEW For Marshall College @ Ridge Walk Living Learning Neighborhood
 - Pilot Program for continuing students, specifically Marshall College students, with their new [All Gendered Housing](#)

Additional Housing Options

We have several **optional** housing communities for students who complete the 2024 Room Selection housing contract (including submitting the \$450 prepayment) for the 2024-25 academic year. Community descriptions may be found below. Continuing students will have the opportunity to apply for a Living-Learning Community or opt into Gender Inclusive Housing after we process the \$450 prepayment as part of the housing contract process. All applications or optional housing information are accessible via the Housing Portal. Continuing students accepted into these communities will receive further instructions at a later date.

Applying for a Living-Learning Community or Gender Inclusive Housing does not secure your housing for the 2024-25 academic year.

[Living-Learning Communities Webinar For Room Selection](#)

If you are interested in knowing more about our Living-Learning Communities (LLCs), you are invited to review our upcoming webinar video which will be posted by March 5, 2024. This is for current residents participating in Room Selection.

Living-Learning Communities Webinar: Link posted March 5, 2024

The Living-Learning Communities and Gender Inclusive Housing

Eligibility To Apply: Must have completed the 2024 Room Selection housing contract in full (including \$450 prepayment).

Application Dates: March 6 - March 18

UC San Diego is committed to creating more spaces where our diverse population of undergraduate students can connect with each other, with the university and with others within the community. Our Living-Learning Communities (LLCs) have been developed to strengthen learning by helping residents to connect academically and socially. The LLCs are each characterized by housing within the same residence location, shared co-curricular experiences, access to resources, and engaging in activities that reinforce common affinities such as aspects of culture.

Applying or being accepted into a Living-Learning Community does not guarantee you a single room.

- LGBTQIA+ Living-Learning Community (LGBTQIA+LLC)
- Multi-Cultural Living-Learning Community (MCLLC)
- African Black Diaspora Living-Learning Community (ABDLLC - Black Housing)
- Raza Living-Learning Community (RLLC)
- Warren Transfer LLC
- I-House
- Gender Inclusive Housing

Applying to an LLC doesn't guarantee you a space in that community and doesn't guarantee you a single room.

ROOM SELECTION PROCESS

STAGE 2: HOUSING CONTRACT & ADDITIONAL HOUSING OPTIONS

*Dates: March 5 – March 11 (housing contract)
March 6 – March 18 (additional housing options)*

- **Gender Inclusive Housing:** Housing*Dining*Hospitality is inclusive of all members of UC San Diego's community, including our transgender, non-binary, genderqueer, gender non-conforming and intersex students. We want to ensure all genders, gender identities and gender expressions are included in our housing, dining and hospitality effort.
 - Students will select into available space designated for Gender Inclusive Housing (GIH). Students can create roommate/apartment-mate groups from students also participating in GIH @ their Room Selection Community.
 - Students are not guaranteed a single room.
 - Students understand and agree that their gender is not a factor in selecting into available space.
- Students interested in Gender Inclusive Housing can opt in once they've signed the contract and made the \$450 prepayment. Students have until April 2 to opt out. Adjustments will not be available after that date for Room Selection Sign-Up. We will however work with those no longer interested in GIH after the completion of Room Selection Sign-Up on a case-by-case basis to room change to an available space when possible.

ROOM SELECTION PROCESS: SELF-SELECTION

STAGE 3: ROOMMATE INFO, SELF-SELECTION PROCESS

Dates: April 22 – May 8

SELF-SELECTION DETAILS FOR ROOM SELECTION SIGN-UP

<https://hdhughousing.ucsd.edu/living-on-campus/room-selection/deadlines.html>

- Check back in April for additional information related to spaces, locations, etc. so that you can prepare for selecting a space!
- Spaces are based on what is available at your designated Room Selection Community.
 - Some areas may have additional space allocated elsewhere on campus.
 - Students are not guaranteed a single room.
 - NEW --- Students have an additional day to select a space!
- Available room types will include double and triple rooms; single rooms (may be limited in certain areas) and mini-double options at ERC Apartments and The Rita.
- We will have space for all students who signed a contract and made the \$450 prepayment or promissory note.

What is a lottery time and how are Room Selection Lottery Times Assigned?

- A Room Selection Lottery Time is a specific date and time to login and select a 2025-26 housing space from available spaces.
- A lottery date and time are randomly assigned to individuals for the Room Selection Sign-Up. Lottery date and times are emailed April 17 and available in the Housing Portal after that.
- Lottery times will not be adjusted.
- **NEW for the 2025 Room Selection process!**
 - Students will have an additional day to select a space! For example, if you are issued a lottery date/time on April 22nd, you have that day and the next day (April 23rd) to select space after your assigned lottery time. Students will need to select space no later than 11:59PM on the second day of their designated Room Selection Sign-Up Dates (see schedule above).

Selecting a Room

- Students will select their room from available spaces during Room Selection Sign-Up. No need to provide a preference - the choice is yours based on what is available at your designated lottery time.
 - You'll be able to see who selected into a space already and their roommate matching preferences. **The choice is yours to look at it before you confirm your space.**
- You will need to select space between your designated lottery date and the end date posted of your designated Room Selection Sign-Up day.
- Once you've selected or been assigned to a space, visit the Room Selection portal and click on the "2025-26 Room Assignment" link for your assignment or to view your roommates/suite-mates/apartment-mates.
- **All space selections are final! Once you select a space and confirm it, or are part of a group and assigned to a space, that is your assigned room or apartment. There are no room changes during Room Selection.**
- You will be sent a confirmation to your UCSD email account. This confirms your room assignment for the 2025-26 academic year.
- Gender Inclusive Housing will not be available in Thurgood Marshall College @ Ridge Walk Living Learning Neighborhood. They will instead have All Gendered Housing.

Room Selection Choices

- A finite number of spaces are available for Room Selection. Students will choose from available space allocated to their room selection community and category. Due to space limitations, the type or location of housing you prefer may not be available during your Room Selection Sign-Up time.
- **Available space may be allocated at your College, other Colleges or other housing communities when you select a space. What is shown is what is available. Additional spaces will not open up.**
- If you do not select space at your designated date and time or there are no spaces available, you have two options:
 - Do nothing and you'll be considered a delayed assignment and HDH will assign you to the next available space.
 - Submit your housing contract cancellation online by the last day of your Room Selection Sign-Up day to receive your full \$450 prepayment.
