The “Housing/Dining Charges No Proration Period” is defined as a period where regardless of when you move-in or move-out during that time frame, there is no proration/adjustment of the housing and dining charges. You will be billed for the entire period. For example, the Fall Quarter “Housing/Dining Charges No Proration Period” is Saturday, September 23, 2023 to Saturday, October 7, 2023. If you move-in anytime during that time frame, you will be billed starting on September 23, 2023.

If you move-out anytime during that time frame, you will be billed through October 7. Please keep in mind that Housing and the Dining Plan are packaged together, so they are both prorated/adjusted together based on the approved move out date. If you have any questions regarding the “Housing/Dining Charges No Proration Period” please contact our office at housingcontracts@ucsd.edu or 858-534-4010.
