ON BEHALF OF RESIDENTIAL, RETAIL AND
SUPPLY CHAIN SERVICES AT UC SAN DIEGO,
**CONGRATULATIONS
ON YOUR ACCEPTANCE
TO THE UNIVERSITY!**

Your academic career at UC San Diego will take you on a phenomenal, life-changing journey. As a first-generation college graduate, I truly understand the support needed for students who are transitioning to university life. That's why we're here for you.

It is our mission to provide students with a meaningful and inclusive living, learning and dining experience at UC San Diego. We want to help you create memorable and impactful experiences, such as making lifelong friends from around the globe, developing deep connections, building positive communities and fostering your success.

Your focus should be on the main reason you're at UC San Diego: to have a world-class academic experience. Housing on campus includes well-designed living spaces with engaging activities and events. Our unique dining offerings have something for everyone, including a year-round menu and multiple food platforms dedicated to cuisine inspired by the African diaspora, the largest halal-certified residential dining facility in the nation, certified kosher menus, a wide array of vegan options and a reduced allergen dining program. Plus, four of our markets feature Amazon's Just Walk Out technology, which eliminates checkout lines and saves valuable times for students.

I invite you to explore the amenities your housing and dining package includes and see how living on campus will enhance your overall UC San Diego experience, including easy access to hundreds of programs offered by campus. You can learn more by visiting our housing and dining website at hdh.ucsd.edu.

We look forward to welcoming you this fall. See you soon!

With Triton pride,

Hemlata Jhaveri

DINING ON CAMPUS

DINING OPTIONS

Your housing contract includes a flexible dining plan! Satisfy culinary cravings at multiple eateries across campus – casual dining facilities, specialty restaurants and grocery shopping at retail markets. With vegan, halal, certified kosher and culturally diverse items offered daily, there is truly something for every appetite!

SPECIALTY/MEDICALLY NECESSITATED DIETS

Whether your specialty diet is medically necessitated or a cultural/lifestyle choice, you have access to an on-site registered dietitian who will assist you in your daily menu planning needs.

Individuals with medical conditions who require specific dietary accommodations should first contact the Office for Students with Disabilities (OSD) as early as possible at osd.ucsd.edu. Once registered with OSD, our registered dietitian will meet with you to set up an individualized plan, ensuring your nutritional needs are supported.

HOW DINING DOLLARS WORK

We believe in empowering students to choose a dining plan that best suits their needs and lifestyle while living on campus. Dining plans are designed as an a la carte system compared to an all-you-care-to-eat program, so students have control of exactly how to spend their funds. The various dining plans are designed to be flexible and low cost.

All dining plans are linked to your campus ID card. Dining dollars can be used in all HDH dining locations (restaurants and markets). Each purchase is automatically deducted from your account balance, like a debit card. Dining plans also come with a minimum of \$500 in Triton Cash, accepted at 60+ locations on and off campus.

TRITON2GO MOBILE ORDERING APP

The Triton2Go mobile ordering app is the easiest way to order from residential dining and market locations. Customize items, get access to secret menus and receive alerts when your order is ready. Plus, you can join the Loyalty Program to win prizes!

EMPLOYMENT LOOKING FOR A GREAT JOB?

There are plenty of job opportunities with dining that are perfect for those with hectic schedules. Student employees are able to work days, nights and weekends between 9 and 19 hours per week, at multiple dining locations across campus.

Visit hdhdining.ucsd.edu for more information.
