## DINING ON CAMPUS

### DINING OPTIONS

Your housing contract includes a Dining Plan, designed as an à la carte system rather than an all-you-care-to-eat program. Plans are designed to be flexible, low-cost, and suit every lifestyle. To explore dining on campus, visit [hdhdining.ucsd.edu](http://hdhdining.ucsd.edu).

All Dining Plans are linked to your campus ID card. Dining dollars can be used in all HDH dining locations (restaurants and markets). Each purchase is automatically deducted from your account balance, like a debit card. Dining Plans also come with a minimum of \$500 in Triton Cash, accepted at 60+ locations on and off campus.

### SPECIALTY/MEDICALLY NECESSITATED DIETS

Individuals who require specific dietary accommodations should first contact the Office for Students with Disabilities (OSD) at [osd.ucsd.edu](http://osd.ucsd.edu). Once registered with OSD, our registered dietitian will contact you to set up an individualized plan.
