# WELCOME TO HOUSING DINING HOSPITALITY

@ UC San Diego

**Congrats!** We're excited to welcome you to UC San Diego. If you choose to live on campus, your Housing package will include a Dining Plan that is good for use at multiple Dining Services restaurants, markets, and specialty locations across campus.

Our HDH Dining facilities operate like any restaurant or market located outside of campus—decide to purchase as much or as little as you need, and pay only for those items. This "à la carte" style of service is designed to provide flexibility, so that you're not charged a flat rate just to walk through the door.

# THE DINING PLANS

The Dining Plans are designed to provide flexibility, with the understanding that you will occasionally be eating off campus, going home for weekends, or cooking in your residential unit.

Dining Dollars are accepted at all HDH locations; they are not accepted at non-HDH vendors like those located in the Price Center. Please see map for reference.

## Additional Dining Dollars

Residents can add additional Dining Dollars to their Dining Plan at the beginning of Winter quarter by visiting the Transact eAccounts Portal at [hdhdining.ucsd.edu/dining-dollars](http://hdhdining.ucsd.edu/dining-dollars).

**Your Dining Plan comes with a Triton Cash bonus!** Triton Cash is the University's pre-paid spending account that is linked directly to your campus ID card. It's convenient, fast, easy—and accepted at 50+ locations on and off campus! The account will be activated for you prior to move-in so you can use it for laundry.

## Options for incoming first-year and incoming transfer students:

2022 – 2023 Dining Plan	
<b>\$5,904 Dining Dollars</b> + \$100 Triton Cash	Our most comprehensive plan which provides approximately 15 meals a week (\$25.14/day, \$175.98/week) to budget throughout the year... and it comes with a bonus of \$100 in Triton Cash!
<b>\$3,936 Dining Dollars</b> + \$50 Triton Cash	3936 is a flexible Dining Plan meant to cover approximately 10 meals a week for the average student (\$16.68/day, \$116.76/week). This plan comes with a bonus \$50 in Triton Cash.

"I love the convenience of being able to use my Dining Dollars whenever I like, for food at the restaurants and for household necessities at the HDH markets!"

- **Zach L.**,  
2nd Year,  
Revelle College Student

**Dining Plans** are billed with your Housing Contract so that costs may be distributed throughout the year based on the Housing payment plan you selected. The Dining Plan is linked to your campus ID card, and your entire plan balance is available upon move-in. When you purchase items, the register will reflect your transaction and remaining account balance.

Your Dining Plan is preloaded on your Campus ID Card

# CHOOSING THE RIGHT PLAN FOR YOU

The Dining Plan you choose is entirely up to you, depending on your individual appetite or how often you want to eat outside of the Dining facilities. **Please remember, none of our plans are meant to support three full meals a day, seven days a week.**

## Changing Your Dining Plan

You will have an opportunity to change your Dining Plan at the beginning of fall quarter. Please log into the Housing portal for more information. After this time frame has passed, we will no longer allow any changes to the Dining Plan.

You are the only person authorized to use your Dining Plan. In the event that you are ill or injured and unable to go into a restaurant or market, a temporary exception for a friend or roommate to use your card will be allowed but you must contact [diningengagement@ucsd.edu](mailto:diningengagement@ucsd.edu) and we will assist you with your request.

## Benefits of the Higher Dining Plan

You have the option to pay your Housing and Dining rates in installments, allowing you to spread your payments throughout the year, but all of your Dining Dollars will be available to you at the time of move-in. While you may add Dining Dollars at the beginning of Winter quarter, those must be paid in full at the time you add.

## Dining Dollar Rollover

Dining Dollars are good throughout the year, into the summer, and roll over into fall quarter of the following year; however, Dining Dollars will not roll over for those who terminate their Housing Contract before the end of the academic year. Roll over of Dining Dollars will happen regardless of whether or not you will be living on campus the following year.

## Financial Aid

Once tuition has been paid, leftover financial aid funds can be used to pay your Housing and Dining fees. Students receiving financial aid should opt to pay their Housing and Dining charges quarterly so payments can automatically be applied to charges.

## ACF Certified Chefs

Each of our residential Dining restaurants' culinary teams are led by an American Culinary Federation Certified (ACF) Chef de Cuisine. The rigorous certification process requires a great deal of knowledge and skill as a food service professional.

## Reusable Containers

As part of a University of California system-wide initiative, UC San Diego is committed to going zero waste. That means that at least 90 percent of campus waste will be diverted from landfills or incineration. The Triton2Go reusable container program has been a vital part of helping UC San Diego Dining Services in these efforts. Since the launch of the program on Nov 10th, 2020 we have diverted over 550,000 single use containers from the landfill, all during a pandemic and reduced capacity on campus. We are on track to divert over 1.25 million single use containers by this time next year!

## HOW THE REUSABLE CONTAINERS WORKS

Order from the **TRITON2GO** Mobile App or in person and request the to-go option. A \$5 refundable deposit will be charged to your campus account (Dining Dollars or Triton Cash).

\*You must have one of these campus accounts to participate in the program.

- Guests take their food in a Triton2Go reusable container from the restaurant.
- Used Triton2Go reusable containers are returned to a Triton2Go machine, located at each college.
- The container is placed in the machine, bar code up. Container is scanned and deposited.

The \$5 refundable deposit will be credited back to your campus account within 24 hours (Dining Dollars or Triton Cash).
