LIVING ON CAMPUS 2022 – 2023
Everything you need to know about living on campus!
UC San Diego HOUSING · DINING · HOSPITALITY
On behalf of Housing, Dining and Hospitality at UC San Diego, congratulations on your acceptance to the university! You are about to embark on an incredible journey, and your academic career will be transformative. As a first-generation college graduate, I truly understand the support needed for students who are transitioning to university life.

That’s why we’re here for you. In continued support of UC San Diego students, on-campus housing communities remain open and operational. All decisions are led by consideration of the health and safety of students, employees and local communities. With exceptional direction from our campus health experts and in alignment with government guidance, the HDH team continues to swiftly adapt to ever-evolving circumstances, allowing us to stay open since the pandemic began.

Your focus should be on the main reason you’re at UC San Diego: to have a world-class academic experience. Our housing program includes well-designed living spaces with engaging programming. Our unique dining program has something for everyone, including the largest halal-certified residential dining facility in the nation, certified kosher menus and a wide array of vegan options.

I invite you to explore the amenities your housing and dining package includes and see how living on campus will enhance your overall UC San Diego experience. You can also learn more by visiting our website at hdh.ucsd.edu.

With Triton pride,
Hemlata Jhaveri
Executive Director of Housing, Dining and Hospitality (HDH)

**DINING ON CAMPUS**

Your housing package includes all of this!

**Dining Options**

Your housing contract includes a flexible dining plan! Satisfy culinary cravings at multiple eateries across campus – casual dining facilities, specialty restaurants, and grocery shopping at retail markets. With vegan, vegetarian, certified kosher, and halal items offered daily, there is truly something for every appetite!

**Specialty/Medically Necessitated Diets**

Whether your special diet is medically necessitated or a cultural/lifestyle choice, you have access to an on-site Registered Dietitian who will assist you in your daily menu planning needs.

Individuals with medical conditions who require specific dietary accommodations should first contact the Office for Students with Disabilities (OSD) as early as possible at osd.ucsd.edu. Once registered with OSD, our Registered Dietitian will meet with you to set up an individualized plan, assuring your nutritional needs are supported.

**How Dining Dollars Work**

Dining dollars are linked to your campus ID card, and can be used in all Dining Services restaurants and markets. Each purchase is automatically deducted from your account balance — like a bank debit card. The various dining plans are designed to be flexible and low cost, and will not support 3 meals a day, 7 days a week.

UC San Diego Dining Services is committed to the health and safety of our students, faculty and staff. We are following guidelines set by local, state and national health officials and we are consistently evolving to meet current county health guidelines.
Congrats to stylish duo Macey Keung and Abby LaRue of Mosaic in Sixth College, winners of our 2021 room decorating contest. They won a Fujifilm Instax camera, a dessert party for their entire suite, and their residence is featured in this LOC brochure!
