Step 1: Curbside Parking & Unloading

Look for an empty designated spot along the curbside of Scholars Drive South. If no spots are available you will need to wait until one is available. You will have 45 minutes to park and unload your belongings. We will have carts available for you during move-in. Once you are parked at the unloading area you will be greeted by a Muir staff member and you will be directed where to walk to get tested.

Note: Please have your 2 guests remain in the vehicle until you have completed Steps 2-4. This will minimize the foot traffic during move-in.

Step 2: COVID-19 Testing

You will need to get tested before getting access into your living space. The testing site is located at Muir College in the Mariposa Conference Room at the Tamarack Apartments. You will need the wristband you receive after testing to check in.

Step 3: Resident Check In

After being tested you will be able to pick up your keys and MOVE-IN! Residents will check in at the Muir Residential Life Office to receive room keys and move-in instructions. Have your QuikPass ready and be prepared to show your wristband!

Step 4: Cart Checkout In Muir Quad

There will be a limited number of free carts available for check out to students only. There will be a time limit set for use. We will ask for a Driver's License and/or credit card as collateral when borrowing our equipment. NO exceptions! If you prefer, you can bring your own hand-cart or dolly for move-in.

Step 5: Unload & Move Into Your Assigned Building

NOW you are ready to move into your assigned room. Walk back to the unloading area to greet your 2 guests who will be helping you move into your room. Remember you only have 45 minutes from the time you parked to check in and unload your belongings. Once in your space, unload your belongings quickly. Do not attempt to unpack, you can unpack later. Pay attention to the building, house, room number, and bed assignment you will be moving into. If you have any questions there will be staff members ready to assist you.

MASKS MUST BE WORN AT ALL TIMES, AND DISTANCING REQUIREMENTS MUST BE FOLLOWED BY YOU & YOUR 2 GUESTS.

Final Step: Time to Depart

When you are done moving your personal belongings into your room, return the cart you borrowed and say your goodbyes. Remember to be courteous to other students moving in. You will have a maximum of 45 minutes to remain in the designated unloading areas. DO NOT remain parked for more than the time allotted. If you are interested in staying past the 45 minute time limit, feel free to purchase a visitor parking permit. **You will need to move your vehicle to a designated visitor (V) parking spot in the Scholars Parking Structure located at Sixth College.**

All visitors should use their parking permits and follow the UC San Diego parking rules and instructions.
