

Pangea Apartments and Residence Halls

Upper Division Housing supports our transfer and upper division students. The units are a mix of furnished residence halls and apartments with single, double and triple accommodations for new incoming and continuing students. Residence Halls suites have a bathroom, living area and patio/balcony. Apartments have a kitchen, bathroom, and living room. The community shares amenities such as study lounges, laundry facilities and a volleyball and basketball half-court. Residents have access to dining at Oceanview Terrace, and Cafe Ventanas, the Bistro and Seventh Market are also a short walk away for dining, coffee, and shopping needs.

*Actual accommodations may vary by building and room set up.
