

UC San Diego

We are so excited to welcome you as the first residents of Eighth College!

Thank you for your patience as we have been diligently preparing for your arrival to your new home away from home! Please make sure you take time to read this document in its entirety, and start sharing this information and any following information with your family or move-in helpers. **Additionally, the university is requesting that before you leave for campus you take a COVID test.** If that test comes back positive, please stay home and know that we will work with you on rescheduling your move-in time so that you will have a happy and healthy arrival to campus.

Please remember to **VIEW AND SCREENSHOT YOUR QWIK PASS**, which is located on your housing portal, and bring it with you when you move-in. You will also need **SOME FORM OF PHOTO ID** (e.g., driver's license, passport, student ID, etc.). It is recommended that you print a hardcopy for your Qwik Pass just in case as you will need to present either a screenshot or Qwik Pass when you move in.

Your assignment will include the following information:

- Assigned room and bed space
- Campus mailing address
- Your move-in date and time once you have selected it
- Your specific electronic lock PIN CODE for your door lock.

You must take a **screenshot of your Qwik Pass** to show it to our staff for a safer and faster move-in. If your helper is going to help you check out a move-in cart they will need access to this information. Friendly reminder: make sure your phone is fully charged the day of your move-in.
