## EVERYTHING YOU NEED TO KNOW ABOUT LIVING ON CAMPUS

2024 – 2025

UC San Diego

HOUSING • DINING • HOSPITALITY

On behalf of Housing, Dining  
and Hospitality at UC San Diego,

## CONGRATULATIONS ON YOUR ACCEPTANCE TO THE UNIVERSITY!

You are about to embark on a phenomenal, life-changing journey, and your academic career will be transformative. As a first-generation college graduate, I truly understand the support needed for students who are transitioning to university life.

That's why we're here for you. It is our mission to provide students with a meaningful and inclusive living, learning and dining experience at UC San Diego. We want to help you create memorable and impactful experiences, cultivate lifelong friendships and supporters, build positive communities and foster your success.

Your focus should be on the main reason you're at UC San Diego: to have a world-class academic experience. Our housing program includes well-designed living spaces with engaging programming. Our unique dining program has something for everyone, including a year-round menu and multiple food platforms dedicated to cuisine inspired by the African diaspora, the largest halal-certified residential dining facility in the nation, certified kosher menus, a wide array of vegan options and a Reduced Allergen Dining program.

I invite you to explore the amenities your housing and dining package includes and see how living on campus will enhance your overall UC San Diego experience. You can also learn more by visiting our website at [hdh.ucsd.edu](https://hdh.ucsd.edu).

We look forward to welcoming you this fall. See you soon!

With Triton pride,

**DR. HEMLATA JHAVERI**

# DINING ON CAMPUS

## DINING OPTIONS

Your housing contract includes a flexible dining plan! Satisfy culinary cravings at multiple eateries across campus – casual dining facilities, specialty restaurants and grocery shopping at retail markets. With vegan, vegetarian, certified kosher and halal items offered daily, there is truly something for every appetite!

## SPECIALTY/MEDICALLY NECESSITATED DIETS

Whether your special diet is medically necessitated or a cultural/lifestyle choice, you have access to an on-site registered dietitian who will assist you in your daily menu planning needs.

Individuals with medical conditions who require specific dietary accommodations should first contact the Office for Students with Disabilities (OSD) as early as possible at [osd.ucsd.edu](https://osd.ucsd.edu). Once registered with OSD, our registered dietitian will meet with you to set up an individualized plan, assuring your nutritional needs are supported.

## HOW DINING DOLLARS WORK

Dining dollars are linked to your campus ID card, and can be used in all HDH Dining locations (restaurants and markets). Each purchase is automatically deducted from your account balance- like a bank debit card. The various dining plans are designed to be flexible and low cost, and will not support 3 meals a day, 7 days a week.

UC San Diego Dining is committed to the health and safety of our students, faculty and staff. We are following guidelines set by local, state and national health officials and we are consistently evolving to meet current county health guidelines.
