Subject: Muir Move-In Part 1: Room Assignment & Roommate Information 2023

Hello Muir Resident,

Welcome to Muir! We are excited to see you in just a few short weeks. With move-in just around the corner, we wanted to send a few important updates. Please take the time to read this important information including signing up for your move-in date, check-in procedures, and temporary parking while you unload:

1. Preview your room assignment and roommate information beginning Saturday, August 26th.

To preview your room assignment and roommate information:

Visit the [Housing Portal](#);

- Login with your campus SSO login credentials;
- Read and indicate agreement to the Housing Assertions prior to accessing your Room Assignment information;
- Select the 2023-24 Move-In Information & Processes;
 - Click on the 2023-24 MyRoomAssignment Portal link;
 - You will be able to see your assigned apartment/suite, bed space, your mailing address, roommate and apartment/suitemate information;
 - Note your assigned bed space, apartment or suite number are NOT your mailing address. Please look up your mailing address on the Housing Portal. Note: Mail will not be available for pick-up until Week 0 starting September 25th. Please do not mail parcels prior to this date, if you have any student mail questions, please reach out to studentmail@ucsd.edu.
- **The first opportunity to request a room change will be approximately mid-October via the “Room Change Interest” list on the HDH website.**

2. You will choose your Move-In Date and Time. **On Saturday, August 26th, Muir residents will be able to choose your move-in date.** You must schedule your move-in date no later than September 7th:

- Visit the [Housing Portal](#);
- Please note you are only able to check-in during the move-in times listed. **No evening or nighttime slots are available.**
- You will be able to view available slots, if your preferred date and/or time is no longer visible, it is because it's no longer available. You will have to choose another date and/or time that is available. You can check your housing portal in case someone else changes or cancels their check-in date/time. Our office cannot add more time slots or make exceptions.
- First-year and new transfer students: Please choose a move-in day and time **prior** to your in-person First Year/New Transfer Student Orientation scheduled for September 21-26. (You have already chosen one of the 6 sessions.) You will **not** be able to move-in on the same day as your Orientation session.
- If you do not select a move-in date by September 7th, you will be automatically assigned a move-in date/time.
- If you plan to move in later than the dates available, please contact the Muir Res Life office at Muirreslife@ucsd.edu to inform them of when you plan to arrive.

3. On Your Self-Scheduled Move-In Day

- You are limited to one car to help with car congestion and parking;
- Allow yourself ample time to navigate campus and account for traffic. The campus will be very congested with move-in traffic. You can expect some delays and/or limited accessibility to parking adjacent to the living areas;

There is a 60-minute check out limit on bins. Bins will only be available during scheduled move in hours and all services will conclude at 4 pm.
- You will have 45 minutes to unload all your belongings via curbside unloading; Once you have unloaded, you may park in designated visitor spaces around campus. The closest parking structure is the [Scholars Parking-South Entrance](#);
