

## We are so excited to welcome you to Revelle!

If you did not see the Moving into Revelle: Part One email which we sent on Friday, August 25, please go back and read that first, and start sharing it and any following emails with your family or move-in helpers. **Additionally, the university is requesting that before you leave for campus you take a COVID test.** If that test comes back positive, please stay home and know that we will work with you on rescheduling your move-in time so that you will have a happy and healthy arrival to campus.

## **PLEASE READ COMPLETELY AS PARKING LOCATIONS HAVE CHANGED!**

Please remember to **VIEW AND SCREENSHOT YOUR QWIK PASS**, which is located on your housing portal, and bring it with you when you move-in. You will also need **SOME FORM OF PHOTO ID** (e.g., driver's license, passport, student ID, etc.). It is recommended that you print a hardcopy for your Qwik Pass just in case as you will need to present either a screenshot or Qwik Pass when you move in.

Your assignment will include the following information:

- Assigned room and bedspace
- Campus mailing address
- Your move-in date and time once you have selected it
- Your specific electronic lock PIN CODE for your door lock.

You must take a **screenshot of your Qwik Pass** to show it to our staff for a safer and faster move-in. If your helper is going to help you check out a move-in cart they will need access to this information.  
Friendly reminder: make sure your phone is fully charged the day of your move-in.
